

Shai Eliash has extensive experience in the media and communications domain.

Prior to establishing the firm, Shai spent 14 years in various media positions, inter alia, during his military service at Galei Zahal – the IDF radio station, at the Davar Rishon daily newspaper, and as a news and real estate reporter at the Ma'ariv daily newspaper.

As a result of his work, Shai earned the reputation of being one of the leading economic journalists in Israel in the field of exclusive scoops.

Shai is a graduate of Koteret, the Israeli School of Media Communications, and also holds a B.A. degree in Political Science and Humanities. He also served as the CEO of the Tel Aviv Building Contractors Association for two years (2002 – 2004).
